The school principal, Dr. Jaishree Bhargava praised and appreciated the efforts of little ones and danced with them with great enthusiasm. On this occasion students decorated muffins with gems and enjoyed the sweets distributed to them by Santa Claus.

Special Assembly, Xmas songs & more...

Every year students of DPSG Vasundhara explore and celebrate all major festivals from all around the world. As a part of the international curriculum exploring world cultures only helps the students to learn more and more about diverse cultures and life globally.

We believe Christmas is all about the time to forgive and share happiness. It is a celebration of life coming all together. This time too at the DPSG Vasundhara our little ones from ECCE wing celebrated Xmas with a lot of fun, laughter and zest.

A special assembly was held for the children at the pre-primary premises and all the students along with their teachers sang special songs filling the air with festive feeling.

"Christmas is the perfect time to celebrate the love of God, friends & family, and to create memories that lasts forever. Christmas is a festival that celebrates the birthday of Jesus Christ. Christmas falls on December 25th every year."
